## 2010/2011 WATERFOWL HUNTING ITEMS

Enclosed is your initial shipment of 2010/2011 waterfowl hunting items. Consignment account initial orders are based on your reported sales from the prior year. To order additional items, the License Agent Order Form is available online at: [www.dfg.ca.gov/licensing/agent/agents.html](http://www.dfg.ca.gov/licensing/agent/agents.html).

### Holiday Schedule

The Department of Fish and Game (DFG) will be closed on the following State holidays:

September 6, 2010      November 11, 2010      November 25, 2010  
November 26, 2010

Please plan accordingly and allow a minimum of 15 business days for delivery of a license order.

### Automated License Data System

In late August, DFG will begin the pilot phase of the Automated License Data System (ALDS). The pilot of the ALDS includes 15 license agents and 10 DFG license sales offices, and is expected to last several months, with full transition to all continuing license agents by the end of January 2011.

License items purchased through the ALDS are subject to a three percent (3%) License Buyer Surcharge. This fee is paid by the customer at the time of transaction, and will be used to maintain the system. Please note the license buyer surcharge is not included in the amount on the fee poster that is shipped with license orders. The DFG will send an updated fee poster to all continuing license agents at a later date.

Also, since the ALDS is being implemented before the end of the 2010 sport fishing license year and the 2010/2011 hunting license year; license agents may have customers with both license types (Non-ALDS issued and ALDS issued license items). To assist your sales staff, a License Agent Transition Procedure chart is enclosed with this newsletter.

### Return of Expired Inventory

2009/2010 hunting items expired on June 30, 2010. The last day to receive credit for these items is December 30, 2010. If you haven't already, please complete the appropriate report form and return all expired inventory to the License and Revenue Branch (LRB) as soon as possible.

## **2010 Waterfowl, Upland Game Bird & State and Federal Hunting Area Regulations**

On August 18 2010, the Fish and Game Commission (FGC) will adopt the 2010/2011 waterfowl hunting season and regulations. Regulation booklets will be distributed to license agents when printed. Complete hunting regulations will be available on the DFG web site at: [www.dfg.ca.gov/regulations/](http://www.dfg.ca.gov/regulations/).

### **Dove Season Opens September 1**

Dove hunting is very popular in California. Approximately 100,000 hunters pursue doves in California each year. Please order an adequate supply of hunting licenses and upland game bird stamps to guarantee you will have enough inventory on hand to license hunters for the dove opener.

### **Make Sure Your Customers Are Not Left Out**

To ensure that your customers have sufficient time to apply for reservations to hunt on State-operated wildlife areas during the upcoming waterfowl season, you may start selling **immediately** once your shipment of 2010/2011 waterfowl items is verified.

### **2010/2011 Reservation Application Process**

All applications to hunt at State-operated wildlife areas must be received at the DFG's LRB at least 17 days prior to the shoot date; late applications will be disqualified. Hunters must provide their 2010/2011 hunting license number, and driver's license number or DMV ID number on the applications.

Hunters have three options to choose from when applying for reservations:

- **One-Choice Application**

Hunters may apply for any available shoot date and area. There is no limit on the number of One-Choice Applications a hunter may purchase and they are available from license agents and DFG license sales offices.

- **Five-Choice Application**

Hunters may apply for five areas on different shoot dates; or five shoot dates for the same area; or any combination thereof. There is no limit on the number of Five-Choice Applications a hunter may purchase and they are available from license agents and DFG license sales offices.

- **Season-Long Application**

Hunters may apply for every available Saturday, Sunday, and/or Wednesday shoot date, for any Type A State-operated wildlife area. Hunters who participated in the 2009/2010 waterfowl reservation drawings will be mailed a season-long application in early September. Additional season-long applications are available from DFG license sales offices and online at: [www.dfg.ca.gov/licensing/hunting/hunting.html](http://www.dfg.ca.gov/licensing/hunting/hunting.html).

Successful applicants will receive a reservation post card which they can take to the wildlife area for admission. Hunters who receive reservations must purchase one of the following hunting area passes for admittance to the area: Type A Hunting Area One-Day Entry Permit (available at Wildlife Areas Only), Two-Day Type A Hunting Area Pass, Type A Hunting Area Season Pass, or Type B Hunting Area Season Pass. Hunting area passes are available from license agents and DFG license sales offices.

### **Important License Sales Reminders**

Please remind license sales staff to read the instructions on the license books prior to issuing license items. License Agents are responsible for ensuring that all licenses are sold and issued correctly. Questions regarding license requirements, issuing items or reporting license sales should be directed to the DFG's License Agent Compliance Unit.

### **Proof of Hunter Education**

All applicants must show evidence of hunter education prior to obtaining a California hunting license. License Agents are required to document the hunter education on the inside cover of the hunting license book. Declarations that are accepted as proof of hunter education must be stapled to the hunting license book from which the hunting license was issued. Please refer to the inside back cover of the hunting license books for acceptable proofs of hunter education.

### **Hunting License Requirements**

By law, you cannot issue a blank license. Before issuing a hunting license, you must enter the date issued, the name, residence address, date of birth, and physical description. When someone buys a license for another person, you must write the licensee's name and residence address before issuing the license. The license is not valid until completed and signed by the licensee. (Sections 705 and 707, Title 14, California Code of Regulations).

### **Hunter Survey**

The DFG needs assistance in managing California's diverse hunting programs. Please record the name, date of birth, and address, of one hunter per hunting license book on the stub attached to the hunting license book cover. Licensee information is provided to DFG biologists to conduct surveys. This allows the DFG to more accurately estimate hunter effort and harvest rates to help effectively manage hunting programs.

Hunter participation is voluntary and all personal information provided by the hunter is considered confidential and will only be used to contact hunters to conduct hunting surveys.

### Harvest Information Program (HIP) Survey

License Agents are required to ask all hunting license applicants if they plan on hunting migratory game birds. Hunters, who answer "yes", must complete a HIP form and you must affix a HIP stamp to the back of the applicant's hunting license. Persons hunting migratory game birds without a HIP stamp may be cited. The following are considered migratory game birds:

All Ducks	Dove
Band-tailed Pigeon	Gallinules
Brant	Geese
Coots	Snipe

### Mailing Completed HIP Forms

Completed HIP forms must be mailed to the US Fish and Wildlife Service (USFWS) every two weeks in the envelopes provided by the DFG. **DO NOT** use the envelopes to mail sales reports to the DFG; you will be held accountable for the late sales reports and may be subject to penalty and interest.

### California Duck and Upland Game Bird Stamps Not Required for Junior Hunters

Any person hunting under the authority of a Junior Hunting License is not required to purchase a California Duck Stamp or an Upland Game Bird Stamp to hunt waterfowl or upland game birds (Sections 3682 and 3700, Fish and Game Code).

### Federal Duck Stamp Requirement

All migratory game bird hunters who are 16 years of age or older must purchase a Federal Duck Stamp. The front of the Federal Duck Stamp must be signed to be valid. If a hunter already has a Federal Duck Stamp affixed to a license (i.e. annual, two-day or out-of-state), they are not required to purchase another Federal Duck Stamp; they must carry the other license with the affixed signed stamp while hunting.

### Stamps for Collectors

A hunting license is not required and there is no limit on the number of California Duck and Upland Game Bird Stamps a person may purchase.

### Ordering License Items

License items can only be ordered through the DFG's LRB License Agent Order Desk. License Agents must not obtain license items from any other agent (DFG license sales offices or another License Agent).

### Delivery of License Orders

The DFG uses Federal Express (FedEx) to ship license orders. The COD fee for FedEx is **\$9.00**. Please remember to make all checks and money orders payable to DFG, and include your agent account and order ID numbers.

### Check Your Shipments Carefully!

Please check all shipments for discrepancies (i.e. missing or defective books, extra books not listed on the shipping reports, etc). If any exist, notify the License Agent Compliance Unit within five business days of receipt. Claims for missing license items will only be considered if reported in writing within five business days of receipt.

### Undelivered License Shipments

If you do not receive your shipments within 15 business days after an order was placed, contact the DFG's License Agent Compliance Unit immediately to report a lost shipment. Shipments reported lost after six months cannot be verified and no adjustments will be made to an agent's account

### Inventory Management

License Agents are responsible for the license items on their account. If an error occurs, license agents may be required to provide documentation (i.e. copies of reports, postal confirmation, payments, etc) to substantiate the discrepancy.
